

You Name the Application

..... We Build the equipment !

We convert your expectations in to reality !!

DYNAMIC

Engineering and Solutions

An ISO 9001 : 2015 Certified Company

Automation Solutions

MCCIA INNOVATION AND
ENTREPRENEURSHIP AWARDS 2018
HARIMALINI JOSHI
AWARD WINNER
2018

Machinery for Process Equipment Manufacturing

Coil Unwinding Machine

Pipe To Flange Welding

L Seam & C Seam
Welding Automation

Silent Joint Correction L & C Seam

Limpet Coil Welding Machine

40+ years of Engineering
Excellence

20+ years of Proven Solution
expertise in business

Globally Trusted, Field
Proven Solutions

Preferred Partner to
Industry leaders

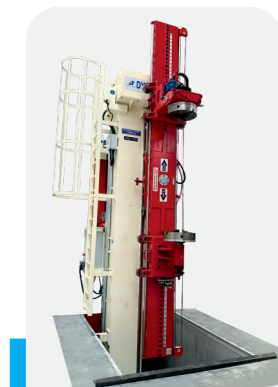

Award Winning, Patented
Innovations

Supply Of Equipment With
CE Marking

Welding Automation and Fixturing Solutions

Horizontal Welding Machine

Welding Manipulator

Welding Positioner

Circular Welding Automation

Industries We Serve

Heavy Fabrication

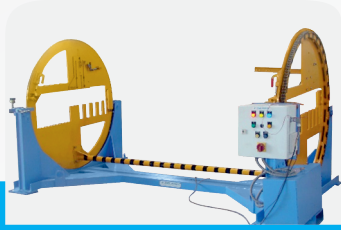

Process Equipment
Manufacturing

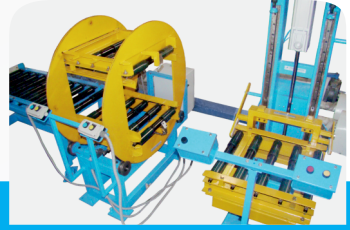

OEMs

Material Handling Systems

Smart Cart For Beam Welding

Turn Over & Transfer Devices

Plate Handling System

Conveyer System

Our Valued Customers

- Alfa Laval (India)
- Atlas Copco, CPC Pumps International.
- HLE Glass coat
- Kinam Engineering,
- Clean Energy Systems
- Tata Steel (Tata Bluescope)
- Krones Processing (Unicorn)
- Ashtavinayaka Technocraft
- Axtel Industries - Halol
- DDE Bioengineering
- Ross Process Equipment
- Vulcan Technologies
- Chitale Bandhu
- Coca Cola
- Tetra Pak
- Uniabex

Oversees Customers

- Alfa Laval (China, Poland)
- BIA (France)
- Protarget (Germany)
- Danieli Group (Italy)
- Lucy (UAE)

Our Vision

To empower industries with innovative, sustainable automation solutions and reliable manufacturing services, tailored to their evolving needs.

WHY CHOOSE US

- Industry Expertise
- Concept to Commissioning
- Innovative, Effective, Sustainable Solutions
- Customized Engineering
- Robust Infrastructure
- Focus on ROI
- Machinery Designed for Low in Maintenance

Automation Solutions

Get in touch to explore how we can enhance your fabrication efficiency.
